PLEASE DENY THEIR REQUEST!!!!!!!!!!

Per Ms. Benetos, she would like for the Arizona Corporation Commission to take a deeper look at the applications. Montezuma does not need nor deserve anymore extensions, they have been granted to many already. They are not conducting business like they should. Well #4 was drilled illegally without permits and permission. The owner is a horrible business person who doesn't know how to conduct herself. The three loans she is requesting financing for should not be approved. First the 68K loan will be for a well that will not be in use the county revoked the permit. Secondly 21K to purchase a well that will not be in use and a vehicle that she uses for personal use should not be allowed. Lastly 15K loan for an 8,000 gal tank to pay back her son. She is very deceptive.

ACC please say "NO"
